Scott

This is not due till Weds so don't worry about it today. We have plenty of WY RH briefing papers already prepared.

All,

There is a potential that Bob P. may visit us the week of November 12. It is not yet certain, so please do not share this information widely yet (I should have confirmation by Monday). In preparation for a potential visit, Shaun and I ask that you prepare hot topics, using the format in the attached file, on the following topics:

EPR
-- Colorado Floods
-- Pavillion
-- Raton

OPRA
-- WY Regional Haze

We need your drafts to us by Wednesday COB, please.

Please let me know if you have any questions.

Thanks,
Howard
